

## CASE STUDY: HAMG 360 (renamed We Are Orange Door)

**Country of Origin:** UK  
**Client:** ICT Company  
**Number of Attendees:** 600

Our client is HAM360 and they managed a conference for a major international brand at The CCD in 2014 for 600 delegates.

Our challenge was transport and staffing, including Hospitality Desk at 6 hotels and Registration Staff at the conference venue. Once again meticulous planning and hands on management produced a perfect result, so much so that HAM360 and their client return to Dublin this year – with 1,300 delegates and 11 hotels – and we get to do it all again!
